The Evolution of Patient-Focused Billing

The most patient-friendly mobile billing interface.

In the demanding sphere of healthcare, tackling billing complexities can be a daunting task. The burdens of manual invoicing, tracking down overdue payments, and administrative overload can be overwhelming. Enter **Doorstep™ by ClearBalance®**: an innovative, patient-centric mobile billing interface designed to uncomplicate the billing process, empower patients and boost provider collections.

Doorstep™ is not just a mobile payment solution, but a versatile digital billing platform, engineered to increase patient engagement and simplify the payment process. This multichannel billing and payment system is adaptable to your patients' demographics and payment behavior, offering various digital billing and collection methods, like text-2-pay, QR codes, email links, and website links to foster a seamless payment experience.

A win-win for patients and providers.

Optimizing Billing Procedures and Reducing Costs:

With Doorstep, healthcare providers can revolutionize their billing process, leading to decreased administrative expenses. Automation of payment collection and the elimination of manual invoicing, Doorstep provides valuable time and cost savings, allowing healthcare providers to concentrate on their primary goal – exceptional patient care.

Experience Personalization with Private-label Branding:

Doorstep provides healthcare providers with an opportunity to present a seamless experience for their patients by implementing private-label branding. The interface can be personalized with the provider's unique brand identity, incorporating their logos, color palettes, visuals, and messaging, thereby enhancing patient trust and interaction.

Accelerating Overdue Account Resolution:

As the industry frontrunner in expediting patient overdue accounts, ClearBalance facilitates patients in settling their balances over time by providing the most versatile and affordable payment plans. This forward-thinking approach to payment recovery paves the way to quicker and more consistent payment resolution, thereby enhancing the financial performance of healthcare providers.

Significantly Improved Financial Outcomes:

ClearBalance prides itself on settling accounts promptly. With Doorstep™, chasing late payments becomes less of a burden for providers. This culminates into substantial cost savings, consistent revenue, and improved patient relations. With Doorstep, providers can expect improved cash flow, lesser delinquency instances, and overall operational efficiency.

Customized Payment Solutions:

Doorstep by ClearBalance enables providers to tailor payment options based on their patients' demographics and previous payment history. This not only provides adaptable payment options but also amplifies financial results with various patient cohorts. Consequently, it amplifies the effectiveness of Doorstep by promoting increased patient engagement. Offering customized payment solutions, Doorstep diminishes the divide between providers and patients, engendering a more efficient and streamlined billing process.

Extended Team Support:

Partnering with ClearBalance® translates to gaining a proactive extension of your financial team. ClearBalance spearheads patient collection activities, manages patient repayment programs, and offers top-tier account and customer service support. This comprehensive team approach ensures that providers have the expertise and support needed to navigate the intricate landscapes of healthcare billing.

In Conclusion:

Doorstep by ClearBalance is a simplified billing solution that unearths efficiency and elevates patient satisfaction. By automating payment collection, tailoring targeted messaging, and resolving self-pay accounts, Doorstep empowers healthcare providers to overhaul their billing practices and enhance their financial performance. With private-label branding and a supportive team of experts, Doorstep delivers a seamless and patient-centric experience. It is time for healthcare providers to harness the power of Doorstep by ClearBalance and transform their billing process. Experience the myriad benefits of this simplified billing solution and uncover the potential for heightened efficiency and patient satisfaction.
