

CLEARBALANCE OVERVIEW

Advancing Healthcare, Engaging Patients.

Our Commitment To Healthcare

ClearBalance Healthcare is at the forefront of transforming healthcare finance. We champion the health and financial security of every patient we serve, acting as compassionate allies in the complex journey of patient financing.

Our commitment extends beyond financial solutions; it's about engaging patients with innovation, serving with compassion, and leading with a commitment to delivering comprehensive financial experiences. By fostering financial confidence, we aim to create a healthier, more informed community.

ClearBalance Healthcare is more than a simple solution; we're a beacon of hope and wellness in both physical and financial aspects of life.

Our Mission, Vision, and Values

Our mission is to make comprehensive healthcare services financially accessible and affordable for everyone. Through partnerships prioritizing whole-patient care, we foster healthier communities. By valuing physical, mental, and financial well-being, we strive to deliver exceptional care to all.

We understand that health exceeds clinical care, encompassing financial well-being. Our revolutionary patient financing engagement supports patients not just in managing expenses, but in navigating healthcare finance's complexities. Through innovation, compassion, and commitment, we deliver an exceptional financial experience.

Health and Wellness for All: Physical and financial health is everyone's right.
Affordable Care Access: Helping consumers afford necessary care.
Sensible Payment Options: Assisting healthcare clients in offering practical payment solutions.

Committed to Enhancing Financial Health and Patient Care

By merging our robust partnership ethos with healthcare providers and our swift integration of patient-friendly financing solutions, we serve as an essential extension of your finance teams. Our role encompasses leading patient collection efforts, managing tailor-made repayment programs, and providing exceptional account and customer service support. These efforts are designed to not only bolster the fiscal health of healthcare systems through significant cash infusions at the start of each partnership but also to enhance financial health and accessibility with minimal disruption.

Through this integrated approach, ClearBalance stands at the forefront of facilitating both immediate and lasting benefits, ensuring healthcare accessibility and promoting financial stability for all patients.

Our Comprehensive Suite of Services

- **Patient Collection Activities:** We lead with expertise in patient collection activities, ensuring smooth and respectful processes.
- **Management of Patient Repayment Programs:** Custom repayment solutions designed for patient convenience and financial sustainability.
- **Exceptional Account and Customer Service Support:** Our team becomes an integral part of your finance operations, prioritizing customer satisfaction and support.
- **Immediate Cash Infusion:** Early partnership stages see an injection of cash, bolstering your financial position without delay.
- **Analytics-Driven Financial Guidance:** Utilizing sophisticated analytics, we provide strategic insights aimed at optimizing financial performance and operational efficiency.
- **Reduced Collection Activities:** By assuming the responsibility for internal collection efforts, healthcare systems can focus on advancing patient health programs.
- **Integrated Account Management:** Our Account Management Team aligns with your finance teams, enhancing collection workflows and financial counseling strategies.

The ClearBalance Advantage

The ROI of the ClearBalance program is robust, earning acclaim for being a high-value program among healthcare CFOs and CEOs. With our continuous evolution to meet the financial needs of patients today and into the future, ClearBalance remains at the forefront of developing patient financial solutions.
