

## PATIENT FINANCING SOLUTIONS

# Providing Peace of Mind In Patient Financing

At ClearBalance Healthcare, we understand the stress and uncertainty that can accompany managing healthcare expenses. That's why we've dedicated ourselves to creating patient financing solutions that prioritize flexibility, affordability, and convenience. Our aim is to ensure that financial concerns never stand in the way of necessary medical treatment.

## Key Features of ClearBalance Patient Financing Programs

# 0%

**0% Interest Rates:** We believe in making healthcare accessible without adding financial burden. Our financing solutions come without interest, making it easier for participating patients to manage their healthcare costs.

**Extended Repayment Terms:** Recognizing that everyone's financial situation is different, we offer flexible repayment terms. This ensures that patients can find a payment plan that fits their budget, reducing the stress associated with medical bills.

**No Credit Check:** Healthcare should be accessible to everyone. Our financing solutions do not require a credit check, ensuring that all patients can receive the care they need without the fear of their financial history affecting their access to treatments.

**Seamless Integration with Healthcare Providers:** We fully integrate with healthcare systems, like **Epic** and **MyChart**, to ensure a smooth process, from the patient's point of care to their final payment. This collaboration enhances the patient experience by providing a unified approach to managing healthcare expenses.

# Addressing Your Patient's Needs

**ClearBalance empowers patients with affordable solutions.**

**ClearBalance is dedicated to making healthcare repayment plans accessible,** facilitating care for everyone regardless of their financial situation. Our innovative repayment options are designed not only for ease but also to promote financial and physical wellness, without the need for credit checks or extra fees. Unlike traditional debt collectors or credit lenders, ClearBalance provides a simple, patient-centric financing solution, offering 0% financing without additional costs. This approach supports healthcare systems in delivering affordable care, easing financial pressures for patients, and helping them achieve financial stability. Through ClearBalance, patients find a pathway to both health and financial well-being, with flexible payment options to manage their care expenses more effectively.

---

**For patients, we offer a pathway to managing healthcare costs without additional financial strain.** For healthcare providers, our programs help to streamline collections, improve patient satisfaction, and enhance financial performance.

## A Partner You Can Count On

When you partner with ClearBalance, you're choosing a solution that illuminates the path to financial wellness for your patients, allowing them to focus on what truly matters - their health.
